Re: Consolidated Rail Corporation-Abandonment Exemption-In Lancaster and Chester Counties, STB Docket No. AB-167 (Sub-No 1095X)

Dear Mr. Williams:

Please find enclosed an original and ten copies of Lancaster County's Petition for Notice of Interim Trail Use and for Reconsideration for filing in the above captioned proceeding. I also enclose an additional copy for time-stamping purposes. I request that this copy be time-stamped and returned to me in the enclosed self-addressed envelope. Should you have any questions or comments please do not hesitate to contact my office.

Sincerely,

STEVENS & LEE

Kenneth Zielonis

BEFORE THE

RE: CONSOLIDATED RAIL :
CORPORATION – ABANDONMENT : STB Docket No. AB-167 (Sub-No. 1095x)
EXEMPTION – LANCASTER AND :
CHESTER COUNTIES – PA. :

PETITION FOR ISSUANCE OF NOTICE OF
INTERIM TRAIL USE AND FOR RECONSIDERATION

This Petition for Notice of Interim Rail Use and for Reconsideration is submitted on behalf of the County of Lancaster, Pennsylvania (hereinafter “County”), in the above-captioned proceeding.

The County is a political subdivision of the Commonwealth of Pennsylvania and requests issuance of a Notice of Interim Trail Use (hereinafter “NITU”), for the rail line known as the Enola Branch (hereinafter “Enola Line”), of the former Consolidated Rail Corporation between approximately Mile Post 4.0 near the Lancaster County, Pennsylvania-Chester County, Pennsylvania municipal boundary line to Mile Post 27.0 near Shenks Ferry, Pennsylvania, a distance of approximately 23 miles. The subject rail line transverses southern Lancaster County, Pennsylvania.

On October 20, 2003, the Surface Transportation Board (hereinafter "STB"), served a Notice to the Parties (hereinafter "Notice"), in the above captioned proceeding seeking comments regarding its plan to complete the National Historic Preservation Act Section 106 historic review process. In the course of commenting in the proceeding which lead to the STB's October 20, 2003 Notice, Norfolk Southern Railway Corporation (hereinafter "NS"), stated that it would entertain a proposal for trail use that meet certain criteria specified in its comments. See, Notice to Parties at 4. Thus, the County believes that this statement indicates a willingness to engage in negotiations regarding future trail use. The County believes that this statement justifies the granting of this Petition for Issuance of an Notice of Interim Trail Use for the above specified portion of the Enola Line. Furthermore, this willingness to discuss trail use justifies reconsideration of the STB's prior orders concerning the subject rail line.

In addition to NS' willingness to discuss trail use, several parties to this proceeding, including public bodies such as the Pennsylvania Department of Conservation and Natural Resources, have expressed a desire to implement rail banking and interim trail use on the Enola Line. See, Notice to Parties at 3. In anticipation of these negotiations for interim trail use, the County has begun the discussion process with all affected parties, including the local municipalities. The County does not wish to further delay final STB action in this matter and is serious in resolving interim trail use and attendant issues expeditiously with all affected parties, particularly the local municipalities. As a sign of the seriousness of the County's commitment to this project, it has deployed numerous internal resources including its Parks Department, its Planning Department and its Engineering Department to deal with this matter. The County intends to create a partnership with the affected parties. All of this items justify issuance of a NITU.

Statement of Willingness to Assume Financial Responsibility

In order to establish interim trail use and rail banking under 16 U.S.C. § 1247(d) and 49 C.F.R. § 1152.29, Lancaster County is willing to assume full responsibility for management of, for any legal liability arising out of the transfer or use of (unless the user is immune from the liability, in which case it need only indemnify the railroad against any potential liability) and for the payment of any and all taxes that may be levied or assessed against the right-of-way owned by Pennsylvania Lines, LLC (hereinafter "PRR"), as successor to the rights and obligations of the former Consolidated Rail Corporation as they relate to the Enola Line and now operated by Norfolk Southern Railway Corporation.¹ The portion of the property known as the Enola Branch which will be the subject to the NITU extends from railroad Mile Post 4.0 near Parkesburg, Chester County, Pennsylvania to railroad Mile Post 27.0 near Shenks Ferry, Lancaster County, Pennsylvania, a distance of approximately 23 miles in Lancaster County, Pennsylvania. The right-of-way is part of a line of railroad proposed for abandonment in Docket No. STB AB-167 (Sub-No. 1095x).

A map of the property depicting the right-of-way is attached hereto as Exhibit A.

Lancaster County acknowledges that use of the right-of-way is subject to the user's continuing to meet its responsibilities described above and subject to possible future reconstruction and reactivation of the right-of-way for rail service. A copy of this Petition is being served upon James R. Paschall, Esquire, Norfolk Southern Railway Company, Three Commercial Place, Norfolk, Pa. 23510-2191, by first class, U.S. mail, postage prepaid, on the

¹ NS will succeed to the rights of PRR Directly through the STB's action in STB Finance Docket No. 33388(Sub-No. 94). See, CSX Corporation, et al. - Control and Operating Lease/Agreements-Conrail, Inc. and Consolidated Rail Corporation, Decision No. 2, effective November 7, 2003.

same date it is being served upon the Surface Transportation Board.

Respectfully submitted,

STEVENS & LEE
